BOLOGNA is a range of 2-tone color bathroom products. It started with a series of faucet after our design team visited the prominent Two Towers in Bologna city, Italy. The use of Black with Rose Gold has created a strong visual identity and formed a new design movement in the industry. BO 3100 is a series of bathroom accessories in 2-tone color, either in black with rose gold or chrome with black, they are made from metal alloy that go thru an anodizing process to convert the metal surface into a decorative, durable, corrosion-resistant with metallic appearance that do not chip or peel. The shape, design, and choice of colors making this series versatile to any bathroom solutions.
