Rubine INOX series is a range of kitchen faucets made of 304-grade stainless steel. The brushed stainless steel combines the benefit of a highly hygienic material with a modern and industrial look. It is hard as a rock and resists chemical damage, corrosion, and even heat damage; you won't find a more durable and strong tapware metal than stainless steel. Moreover, it is environmentally friendly as it does not contain any substance that is harmful to the environment; it is 100% solid and 100% recyclable.

Inox kitchen faucet is a timeless piece that combines elegance and durability.
